# Information about Student Applications

# Information about Student Applications

## Team's Application

Student teams must apply via the Typeform link <https://bit.ly/3Xnn01G> by **24.03.2023**. **Only one representative of the team should fill in the following form.**

## Late Applicants

**With a reasonable excuse**, we can accept late student applications until **10.04.2023**. They also must apply via **another Typeform link**, which should be filled in by one team representative. **The application link for the Late Applicants will be provided later to DBAs.**

## Who can apply?

- Students who have SFF in their Curriculum;
- Students whose professors are taking part in TTT;
- **Students from our HEIs** (even if their professors are not participating in TTT);
- **Students from our HEI partner universities** (They should apply under your HEI name) via Open Call link.

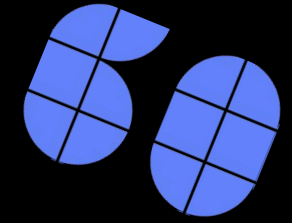

## Important **DOs** & **DON'Ts** for All Students

### Student Teams **MUST**:

- **Sign into the SFF Community** group by latest 05.04.2023;
- **Attend all sessions** (At least 1 team member);
- **Upload a description of their project idea in the Community Group** by latest 10.04.2023;
- **Search session zoom links in the platform by themselves**, which is available under the tab “Events”.
- **Know that platform is the main communication tool** in SFF.

### Students are **NOT ALLOWED** to:

- **Apply via any other option apart from our typeform APPLICATION LINK;**
- **Miss the sessions** (at least 1 team member should be always present);
- **Shift or change their session preference** after their application;
- **Change their preferred EIT KIC / vertical** after their application;

**Data & Support we  
require from you**

# Data we need from you for LEARN Stage

<b>1</b>	List of Domain experts	3 Domain experts per HEI
<b>2</b>	Domain Expert Matching	Filling in a form to be well matched with Trio teams
<b>3</b>	Contact Person per HEI	Responsible persons per HEI for internal comm. & Student data accessibility

# Data we require from you for LEARN Stage

Each HEI is providing **3 domain experts for the LEARN phase**. Please, fill in the table with the data of your HEI domain experts who are going to support us **on both dates of 02.05 & 16.05 either in the Midday (12:00), Afternoon (16:00) or even in the both sessions.**

[https://docs.google.com/spreadsheets/d/1cFaH0HolIPyapAiFjuF\\_ISfY9hZQ0FsQ/edit#gid=1326609123](https://docs.google.com/spreadsheets/d/1cFaH0HolIPyapAiFjuF_ISfY9hZQ0FsQ/edit#gid=1326609123)

**Domain experts will be assigned automatically to Trio teams by a software.** Therefore, please, take it into consideration, that **all three nominated domain experts should be available for both sessions.** Please, ask your nominated experts to **book these days and time slots in their calendar for the SFF Sessions.**

# Data we require from you for LEARN Stage

When domain Expert table is finished, **all experts are going to get, via email, the platform** invite to the LEARN Community Group. **All experts, should join the LEARN group in order to attend events & communicate with participants.**

Moreover, **all domain experts are going to get the typeform link** via email, where they should **individually fill in their data** regarding their **session preference, expertise area(s) and development level of Trio teams they want to coach.**

# Data we require from you for LEARN Stage

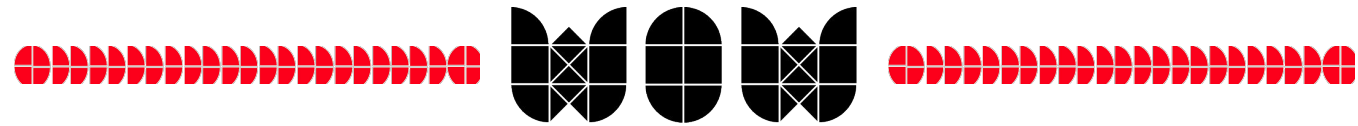

Please, choose **1 person in your HEI** as the **main communicator** between Phase 1 Team, your university and your university Students & Educators (Next to Phase 1 Team). **Please, nominate this person in the table below:**
